

Mission Support Alliance Request for Proposal Questions/Answers **Radiological Site Services (RSS) Bioassay Sample Analysis**

Vendor questions with answers dated September 29, 2011.

1. Section A.5, Item No. 4.b requests submission of the Past Performance Survey provided in Attachment 2 of the RFP. With regard to this referenced Section, we have the following questions:
 - a. How many client references do you require? **As many recent (5 years) and relevant (to the scope) past performance surveys that you feel presents your best proposal.**
 - b. Should the companies we use as references send the completed survey forms directly to MSA or should they return them to GEL for inclusion in our proposal to MSA? **Yes, submit all survey forms with your proposal.**
 - c. If the companies need to send the forms directly to MSA and not through GEL, please provide contact information for the person at MSA who will receive the forms. **N/A, submit all survey forms with your proposal.**
- a. Section A.5, Item No. 3.e requests submission of Key Personnel Resumes provided in Attachment 1 of the RFP. With regards to this referenced Section, we have the following question:
 - a. Can we provide key personnel resumes in our standard format which includes all information requested on Attachment 1 - Key Personnel Resume Form in lieu of completing this form for each key personnel? **yes**
